

English

This term the children will be writing their own setting description as a letter. We will be reading 'Winter's Child' by Angela McAllister. During this writing process we will look at the grammatical techniques of paragraphing, inverted commas, noun phrases and fronted adverbials. Our second book will be 'How to Live Forever' by Colin Thompson where we will explore instructional writing.

Science

The children will be exploring teeth and the digestive system. We will look at the basic functions of the digestive system and the teeth. We will also construct and interpret a variety of food chains, identifying producers, predators and prey.

Music

The children will be appreciating and comparing the music from great local composers and musicians commenting on tempo, dynamics, pitch and timbre.

We 
Herefordshire

Geography

As part of this topic the children will be looking at their immediate local area. We will be making comparisons between village and city life in Herefordshire. The children will undertake map work, comparing key features and attractions of the local area.

RE & PSHE

This half term we will look at how festivals and family life show what matters to Jewish people.

Art and Design

The children will be looking at the work of Paul Cezanne as his art work was based on his local area. The children will develop their sketch books, sketching local buildings using different pencils, use watercolours to paint local landscapes in the style of local artists and as well as paint the famous, local to Canon Pyon, Herefordshire cows.

Visits

To enhance the children's learning they will be visiting Hereford and touring local attractions within the City.

They will also visit Canon Pyon Church and a local farm.

Rev. Anne will join us to discuss her life devoted to the church.

PE

This term the children will be learning the skills of Netball.

How can you help?

Practising rapid recall of multiplication and division facts will continue to help your child at school. Please remind your child to use TT Rockstars for fun interactive learning. Talk to your child about their local area and work with your child on home school activities on SeeSaw.
