LAC (inc post LAC)	= 1	(£2,345)
Total allocation for Pupil Premium	=	£12,380

## How we use the Pupil Premium

The school receives additional money each year for pupils who are Looked After Children, registered to receive free school meals (FSM) and also Service Children who are from families where one or more parent is currently in the British armed forces.

This money is used to raise the academic performance and develop the confidence of children who may, for a variety of reasons, be educational disadvantaged or have interruptions in their schooling due to unavoidable moves.

At Canon Pyon Academy we use this money in a number of different ways to target children who are eligible for pupil premium. As with the previous year we will continue to provide staff with effective strategies to give pupils feedback to develop writing; target support for underperforming pupils and identify aptitude/needs of incoming service family pupils.

Currently the funding is worked out as following:

<b>Pupils</b>	<b>Pupil Premium Per Pupil</b>
Pupils in Yr R to Yr 6 recorded as Ever 6 FSM	£1345
Looked After Children (LAC)	£2345
Pupils in Yr R to Yr 6 recorded as Ever 6 Service Child	£310

Where it states Ever 6, this is to include pupils/families that were previously included, whether on FSM or a Service Family, but are no longer. The school can still claim for that child 6 years after they have been eligible (whilst still at the school).

It is important to remember that it is down to the school to determine how the Pupil Premium money is best spent. The conditions of the grant state that, "the grant may be spent by maintained schools for the purposes of the school; that is to say for the educational benefit of pupils registered at that school".

A breakdown of how the money was spent and the impact it had on the Pupil Premium children can be found in the Review document on the school's website.

Canon Pyon Academy will be providing the following:

**Pupils in receipt of Pupil Premium are viewed as a cohort and their needs are scrutinised at termly pupil progress meetings. In individual circumstances we will also consider if we can use funds to support a child or family in any way we can in agreement with the Senior Leadership Team and the family concerned.**

**If any parents would like to discuss the above in more detail we would be very happy to do so.**
