

English

Our fiction focus will be on narrative writing – based on ‘A Series of Unfortunate Events’. We will also be writing information texts and biographies – both linked to our topic. We will also continue to use inference skills to understand texts and build our vocabulary.

Maths

We will be learning algebra and ratio to begin the spring term and then move on to calculating area, perimeter and volume. During the summer term, we will work with statistics and shape as well as completing our SATs! We will continue to improve our mental maths and arithmetic skills through daily practice.

Science

We will be learning all about how animals, plants and microorganisms are classified. We will have a go at classifying ourselves and investigate what microorganisms do and how they grow.

PE

We will be working on our football and tennis skills during spring term, then cricket and athletics.

Art

During this topic, we will be learning all about Frida Kahlo. We will study her artwork and give interpretations of meaning, learn about her personal life and have a go at creating some Kahlo-inspired pieces ourselves.

PSHE

We will be completing the Dream and Goals and Healthy Me Units of Jigsaw.

Geography

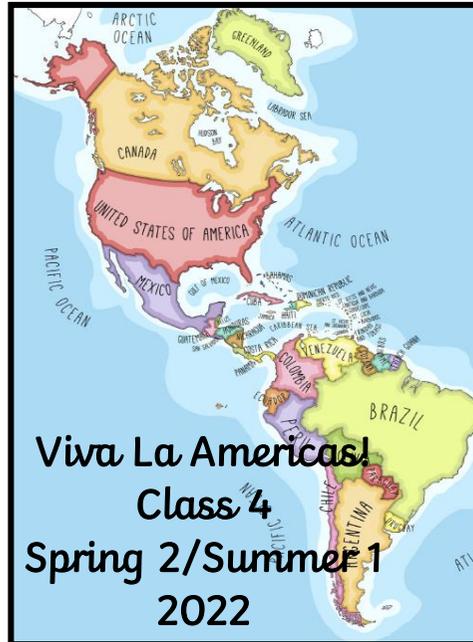

Our topic will focus on the continents of North and South America. We will locate the continents, discuss their positioning and how this affects the climate. We will also research the physical and human geography of the regions. Whilst doing this, we will continuously compare the areas to each other and the UK. We will end the topic with an in-depth study of two countries.

Spanish

We will continue to build our Spanish skills as well as learning about the culture of Spanish-speaking American countries.

DT

Inspired by the bridges of North and South America, we will have a go at creating our own – thinking about what makes it strong and functional.

RE

In the run up to Easter, we will be thinking about Salvation and how Christians celebrate this very special time.
