

English

For guided reading, we will be reading 'Holes'. Our writing will focus on narratives, specifically description, dialogue and atmosphere. SPaG will continue to be a focus too.

Maths

This term we will extend our knowledge of place value and the four operations. We will also study fractions.

Science

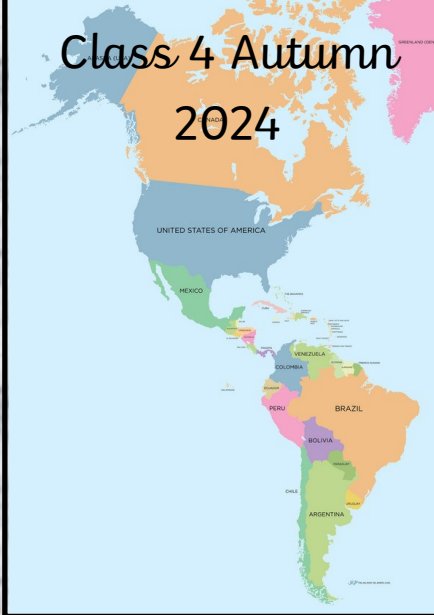

We will begin by learning about the human circulatory system and then move on to learn about light.

Geography

Our topic focus this term will be on the continents of North and South America. We will study the location, physical geography, climate, and human geography of each continent as well as comparing them both to the UK.

Viva La Americas!

Class 4 Autumn
2024

DT

We will be researching famous bridges from around the world understanding how and why they were designed in a specific way, then we'll design and make our own.

Music

We will be focusing on the music of South America, salsa and rhythm.

Art

Frida Kahlo will be our artist focus this term. We will research her and her life, what inspired her and evaluate some of her artwork. We will then create our Kahlo-inspired pieces.

Languages

We will be learning greetings, colours and counting in French

PE

We will begin by improving our tag rugby skills then move on to tennis. As always, we will be thinking about teamwork, leadership and sportsmanship!

RE

Christianity will be our focus, specifically: 'What does it mean for Christians to believe that God is holy and loving?' and 'What would Jesus do?'
