

English

Class Text – 'Winter's Child'

The children will learn how to use speech marks and to be able to express a character's feelings through their dialogue.

To be able to use prepositional phrases to write a recount.

Class 3 Spring 2025

Disaster Strikes

Maths

The children will be looking at multiplication and division. Alongside this we will be learning to tell the time and to convert between digital and analogue times.

Music

We will be making links between the course of a river and music, singing in rounds and exploring two-part harmonies with expression and dynamics.

PE

We will be learning to play netball, working on our throwing and catching skills.

Art and DT

We have been combining art with music as a way to express and manage our emotions. Linking to our book 'The Winter's Child' we will focus on colour to create different moods.

Geography

This topic aligns with the 2014 National Curriculum for Geography, specifically under the attainment targets for Year 3 and Year 4, which include understanding physical geography, including rivers, and landscapes. It aims to develop students' knowledge of how flooding occurs, volcanoes erupt and other natural disasters and their impact on landscapes, cultivating a local and global perspective on these environmental issues.

Science

States of Matter:
Compare and group material together according to whether they are solid, liquid or gases.

PSHE

Citizenship

Learning about the importance of reusing and recycling.

Understanding why we have rules and the consequences of them.

RE

Judaism will be our focus, specifically answering the question:
How do festivals and family life show what matters to Jews?

Computing

Online safety.
Computer systems and networks: journey inside a computer.
